

Local Plant Orientation Days and Times

To be eligible to work in local chemical plants, all workers are required to attend a facility orientation prior to receiving a badge to work on the plant grounds. Here is a list of plants, days, times and requirements for each orientation.

DuPont:

– Every Tuesday at 9 AM; you must arrive with an OSHA card and a current drug card within 12 months which you can get from the Niagara Falls Memorial Medical Center on Monday – Friday from 8AM – 3PM at a cost of \$64.

Olin:

– Every Monday at 8 AM; you must report to Building 1 in the large conference room and bring a State or Federal form of identification; for example a NYS driver's license.

Oxy:

– Every Monday at 8 AM; you must report to the main gate at 4700 Buffalo Avenue and bring a State or Federal form of identification; for example a NYS driver's license.
